Adventureland Post

Adventureland Day Camp/ 215-757-9142

Notes from the Office

**If your child will not be coming to camp, please notify your driver by 7am. If your child travels by bus, please call the camp office at (215)757-9142.*

**When bringing your child to camp after 9:30, please bring him/her to the office. Our office staff will call for a counselor to meet your child. This allows for our office to have an accurate count of all children at camp. *If you need to pick your child up early, please be sure to check in at the office to sign them out. Do not go directly to your child's group. This procedure allows us to ensure each camper's safety at all times.*

Monday Night Family Nights!

Our next Family Fun Night will be July 12th! Bring your family back to camp from 6-8 pm for a night of swimming, boating and fishing, and miniature golfing. Hot dogs, funnel cake, and drinks will be available for sale, or you can bring your own food.

Adventureland Artists

The art department has been hard at work! They have been working on creating nature journals with the campers to use at Nature during their hikes to record field notes and drawings. The **Adventure Wednesday Art Club** has been working on an Architectural Mosaic. Last week the campers worked on planning the mosaic and this week they began cutting their materials and painting custom tiles for their water themed mosaic.

Outdoor Living

John is excited to report that the campers have been hard at work! Last week, they learned how to build fires! This week they have been working on putting up tents! Week 3 will have the campers cooking over the open fires they learned to build. Week 4 is when they begin Geocaching! He said it's a high tech treasure hunt where they find hidden containers or geocaches.

Tales from the Ropes and Zipline Guys

The Zipline Guys report that the campers are really enjoying the zipline! To see pictures, go to our flicker account

Bahama Pajama Pool-A-Rama

Next Thursday, July 8th All of our campers should dress in pajamas for free swim. Prizes will be awarded to the best dressed pajama party in the pool!

Nature News

This week the campers spent time learning about "lake sounding". Alex the Nature guy explained that it's a way to measure the clarity and depth of the water. They are continuing to work on rapids building in the creek. If you drive over the bridge, Alex says you will have a perfect view of their hard work.

Don't forget to bring old sneakers, as Alex says everyone wants to go back next week!

**No camp Monday, July 5th
due to the
4th of July Holiday!
Happy 2nd Birthday Paige Wheaton!**
