Adventureland Day Camp/ 215-757-9142

It's hard to believe it, but another camp season is coming to an end. Our last day of camp is Friday, August 17th!

AND THE WINNING TEAM FROM SPIRIT WEEK IS...

The Green Team!
Congratulations to both teams for their amazing sportsmanship throughout the games!

ADVENTURELAND'S GOT TALENT!! Our Annual Talent Show was held on Thursday. All we can say is "WOW!" Our campers really can put on a show! The Eaglettes, Astronauts, Monarchs, Tiny Tots, Musketeers, Mountaineers, Mayflowers, Liberty Belles, Goldminers all performed amazing group skits. Josh Levis played the clarinet and Nicolette Alessi wowed us on the violin! Timmy and Keith of the Patriots really can "Move It, Move It" and Britney, Ariana, Courtney, Bridget, Samantha, and Alex of the Liberty Bells can really "Get This Party Started"! Emily and Jordan of the Eaglettes performed to "Aquarius", while Hannah of the Mayflowers moved to "S.O.S.". Sarah of the Mayflowers danced to "Girl Fight" and Kim, Miranda, Rebecca, and Sarah of the Liberty Belles danced to "Y.M.C.A." Arianna, Alexandria, and Stephanie of the Liberty Bells performed a gymnastics routine to "Bad Day". Bridget of the Liberty Bells performed to "Big Girls Don't Cry". Deena would like to thank ALL that campers that performed- you all did an amazing job!!

KITCHEN CUISINE

The Ropes Course!

This week the heat wave finally broke and the Rock Wall is open again! We would like to congratulate Marlee Coyle of the Rockettes, for climbing the rock wall in 24.31 seconds.

Pete Klabe and Jeremi Ronaldo would like to challenge the staff and campers of Adventureland Day Camp! Pete climbed the Rock Wall **BACKWARDS** and Jeremi set a new **CAMP RECORD** for scaling the wall in 17.34 seconds. So, if you think you have what it takes, see Lisa, Pete, or Jeremi

NATURE NEWS

This week in Nature children were busy learning about molecular bonding between borax molecules to form a semi solid- silly putty! They also enjoyed the fizzing and foaming experiment.

Our monarch caterpillar completed metamorphosis and became a beautiful butterfly that we fed and observed before releasing. Some other fun activities and discussions included dominant and recessive traits and optical illusions. We took a closer look at the human species!

Regards,

“The Nature Ladies”
